It's quite rare to meet teenagers who don't like sports. When you are young, you know how important (23)\_\_\_\_\_ to do physical exercise if you want to be healthy and strong, and for that reason, you often concentrate on just one sport with so (24)\_\_\_\_\_ enthusiasm that in the end, you can't live without it. The problem is, though, that as you grow up you have less and less spare time. At your age, you have to study harder if you want to get good marks to go to university, with perhaps only one afternoon a week to do any sport. This happens just when you are at the best (25)\_\_\_\_\_ for many sports, such as gymnastics and swimming. By the time you finish all your studies you will probably be too old to be really good at sports like those, but if you spend enough time on (26)\_\_\_\_\_ while you are young, then one day you will find that you are very good at your sport but too old to study, and you will find it (27)\_\_\_\_\_ to get a good job. Somehow, it doesn't seem fair.

*Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions.*

Books which give instructions on how to do things are very popular in the United States today. Thousands of these How-to books are useful. In fact, there are about four thousand books with titles that begin with the words "How to". One book may tell you how to earn more money. Another may tell you how to save or spend it and another may explain how to give your money away.

Many *How-to* books give advice on careers. They tell you how to choose a career and how to succeed in it. If you fail; however, you can buy the book "*How to Turn Failure into Success*". If you would like to become very rich, you can buy the book "*How to Make a Millionaire*". If you never make any money at all, you may need a book called "*How to Live on Nothing*".

One of the most popular types of books is one that helps you with personal problems. If you want to have a better love of life, you can read "*How to Succeed in Love every Minute of Your Life*". If you are tired of books on happiness, you may prefer books which give **step-by-step** instructions on how to redecorate or enlarge a house.

Why have *How-to* books become so popular? Probably because life has become so complex. Today people have far more free time to use, more choices to make, and more problems to solve. *How-to* books help people deal with modern life.
