_____ - a kind of picture that is three-dimensional (=does not look flat)

_____ - the state of not being drunk

All God's children need traveling moves / shoes
Drive your problems from here
All good people read good books / looks
Now your **conscience** is clear
I hear you talk girl
Now your **conscience** is clear

In the morning when I wipe my brow
Wipe the miles away / may
I like to think I can be so willed
And never do what you tray / say
I'll never hear you
And never do what you say

Chorus:
Look my eyes are just **holograms**
Look your love has drawn red from my hands
From my hands you know you'll never be
More than twist in my **sobriety**
More than twist in my **sobriety**
More than twist in my **sobriety**

We've just poked a little empty pie
For the fun that people had at night
Late at night don't need **hostility**
The timid smile and pause to free

I don't care about their different thoughts / lots
Different thoughts are good for me
Up in arms and chaste and whole
All God's children took their toll

Chorus

Cup of tea, takes time to think, yeah
Time to risk a life, a life, a life
Sweet and handsome
Soft and porky
You pig out 'til you've seen the light / fight
Pig out 'til you've seen the light

Half the people read the papers
Read them good and well
Pretty people, nervous people
People have got to smell / sell
News you have to sell

Look my eyes are just **holograms**
Look your love has drawn red from my hands
From my hands you know you'll never be
More than twist in my **sobriety**
More than twist in my **sobriety**
Look my eyes are just **holograms**

Chorus
