

Listen and repeat the phrases from the conversation.

John: Can you give me some information about the space museum, please?

Clerk: Yes, certainly. The museum's near the centre, and you can book online. You'll really enjoy it.

John: That's perfect. Thanks.

Clerk: It's the best way to learn about the history of our country.

John: That's a really good idea. Oh, by the way, have you got any information about the Kremlin?

Clerk: Yes, of course. It's all on our website. Have a good day.
