Dear Peter,

How are you? What are you doing in Salamanca? Lots of tourists?

I'm spending August with my family in our little apartment in Montgat, near Barcelona.

Every morning I go to the beach. I like swimming and playing volleyball on the beach. I'm also learning how to sail a small boat. We sail every Tuesday and Thursday. When the weather is good I really like it. But when the weather is very bad, I'm a little afraid of the sea. Then I prefer fishing on the coast.

In the afternoons I usually read and study a little. I have to take a Maths exam in September!

Miss you,

Sally

Dear Noah,

I'm on holiday with my older brother Rod. We are in Porto do Son, a little village on the Atlantic coast. Rod has a lot of friends and we have a lot of fun. The weather is very good. Every morning we go to the beach and they teach me how to surf. I love it but I fall off a lot and the water is very cold.
My brother is an expert at surfing. I hope to learn very soon. In the afternoons we cycle to the local villages and visit a lot of interesting places. I'm really having a very good time but I miss my friends from school. I hate to think that my holidays are finishing and have to go back to school soon.

Love,

Paul
