

EASY ON ME

Adele

Baby, **let me in**

There ain't no gold in this river

But I can't bring myself to swim

When I **am drowning** in this silence

I know there is hope in these waters

That I've been **washin'** my hands **in** forever

1- _____

2- _____

3- _____

4- _____

5- _____

6- _____

Go easy on me, baby

I was still a child

Didn't get the chance to

Feel the world around me

I had no time to choose

What I chose to _____

So go easy on me

There ain't no room for things to change
When _____ both so deeply stuck in our ways
You can't deny **how hard** I have tried
I changed who I was to put you both first
_____ now I **give up**

Go easy on me, baby
I was still a child
Didn't get the chance to
Feel the world around me
Had no time to choose
What I chose to do
So go easy on me

I had good intentions
And the highest hopes
But I know right now
That probably doesn't even show
Go easy on me, baby
I was still a child
I didn't **get the chance** to
Feel the world around me
I had no time to choose
What I chose to do
So go easy on me
