Hi Harry,

I've just got a new part-time job on Saturdays. I wash cars. It's great. I <sup>1</sup>**mustn't / don't have to / ought to** get up early because I don't start work until 2 p.m. I <sup>2</sup>**needn't / have to / don't have to** clean the cars inside and outside. <sup>3</sup>**I'll / I'd better / I'm going to** work on Sundays as well to earn more money. By the summer holidays, <sup>4</sup>**I'm having / I'll have / I must have** about £500, which is great. <sup>5</sup>**I'm going / I'd better go / I'll go** to Greece with my parents and <sup>6</sup>**I'm spending / I'm going to spend / I have to spend** my money on diving lessons.

Anyway, I hope all is well. <sup>7</sup>**I'll / I'd better / I mustn't** go because we are <sup>8</sup>**about to / must / going** have lunch and I'm not <sup>9</sup>**let / allowed / made** to be late.

See you,

Matt

P.S. You <sup>10</sup>**ought / should / must** to get a weekend job. It's good to earn money.
