I _____ through the _____ with you

And you've still got it in your drawer even _____

Oh, your _____ disposition
And my wide-eyed gaze
We're _____ in the car, getting _____ upstate
Autumn leaves falling down like _____ into place
And I can picture it after all these _____

And I know it's long gone and that _____'s not here no more
And I might be okay but I'm not fine at _____

'Cause there we are again on that little town _____
You almost ran the _____ 'cause you were lookin' over at me
Wind in my _____, I was there
I _____ it all too well

_____ album on the counter
Your _____ were turning red
You used to be a little kid with _____ in a twin-sized bed
And your mother's telling stories 'bout you on the tee-ball _____
You told me 'bout your past thinking your _____ was me

And I know it's long gone and there was nothing else I _____ do
And I forget about you long enough to forget _____ I needed to

'Cause there we are again in the middle of the _____
We're dancing 'round the _____ in the refrigerator light
Down the _____, I was there
I remember it all too well, yeah

And maybe we _____ lost in translation
Maybe I _____ for too much
But maybe this _____ was a masterpiece 'til you tore it all up
Running _____, I was there
I remember it all too well

And you call me up again just to _____ me like a promise
So casually _____ in the name of being honest
I'm a _____ up piece of _____ lying here
'Cause I remember it all, all, all
Too well

Time won't fly, it's like I'm _____ by it
I'd like to be my old self _____
But I'm still _____ to find it
After plaid shirt days and _____ when you made me your _____
Now you mail back my things and I walk _____ alone
But you keep my old _____ from that very first _____
'Cause it reminds you of _____
And it smells like _____
You can't get _____ of it
'Cause you remember it all too well, yeah

'Cause there we are again when I _____ you so
Back _____ you lost the one real thing you've ever _____
It was _____, I was there, I remember it all too well
