Now let's read and put events in sequence

Painting Rocks

My sister and I love to paint rocks. First we go to the lakeshore where there are many rocks. Then we look for large, smooth rock. After the rocks are clean we paint the rocks with bright colors. Finally we put them out to dry. Painted rocks are so pretty.

Take the rocks home to wash.

Paint the rocks with bright colors

Wash the rocks.

Go to the lakeshore.

Look for large, smooth rocks.
