Hi, I'm Cameron. I go to Everett Middle School. Every year, we have a big sports competition at my school, and it's happening this week! I don't like to play sports, but I really like to watch them. My favorite sports to watch are team sports, like volleyball, baseball, soccer, and basketball. But I also like watching some individual sports, like running and judo. Everyone wears tracksuits, shorts, and T-shirts with their name or the team's name on them. It's an exciting way to end the school year.

Today, my best friend Tammy's team won the final soccer game. She scored the winning goal! She yelled to me from the field, "Hey Cameron, did you see my goal?" "Yes, I did," I yelled back. "That was amazing!" I can't wait to see the tennis competition tomorrow.
