Passage 2: Read the following passage and answer the following questions WITH NO MORE THAN TWO WORDS AND/OR A NUMBER

MY FAVORITE ROOM

Hi. My name is Hannah. I live in a house with five rooms. And my favorite room is my bedroom. I think the bedroom is the most important room in a house, because in this room you can relax and be alone when you need to think of something.

I want this room to be my private room but in fact I have to share it with my younger brother. Sometimes it makes me angry but it is also happy when sharing something with another person. We often play cards, listen to music or read comic books together.

My room is a small room with white walls, a blue bed, blue pillows and blue curtains. There are three windows in my bedroom. We often look out the window to see the rain or snow in winter. We also can see many trees or listen to the birds' songs.

There is a picture above my bed. This is my Mum's present for my 12thbirthday.

When I leave my house, I wish to come back as soon as possible to take a nap in my bed. I love my room very much.

2. What is her favorite room?
