Richar Carapaz

Movistar rider Richard Carapaz became the first Ecuadorian to win the Giro d'Italia on Sunday, June 2, 2019. He had finished fourth in the Giro in 2018. The Ecuadorian became only the second South American to win the Giro. His Movistar teammate, Colombia's Nairo Quintana, was the first in 2014.

"This is the biggest moment of my sporting life and it's hard to explain it. I just suffered from start to finish until I reached the arena in Verona," Carapaz told Eurosport.

While Carapaz crossed the finish line in front of fans from his homeland at the Roman amphitheater, he began his success on the mountain slopes. He has become an Ecuadorian hero.
