Hello by Adele

_____, it's _____
I was wondering if after all these years
you'd like to meet
To go over everything
They say that _____'s supposed to heal ya

But I ain't done much healing

_____, can you hear me
I'm in California dreaming about
Who we used to be
When we were younger and _____
I've forgotten how it felt
Before the world fell at our feet
There's such a difference between us
And a million miles

free	**me**	**sorry(4)**
home(2)	**secret**	**hello(7)**
myself	**time**	**heart(2)**

_____ from the other side
I must have called a thousand times
To tell you I'm _____
for everything that I've done
But when I call you never
seem to be _____
_____ from the outside
At least I can say that I've tried
To tell you I'm_____
For breaking your _____
But it don't matter it clearly
Doesn't tear you apart anymore

_____, how are you?
It's so typical of me
To talk about _____I'm sorry
I hope that you're well
Did you ever make it out of that town
Where nothing ever happened
It's no _____that the both of us
Are running out of time

_____ from the other side
I must have called a thousand times
To tell you I'm _____
for everything that I've done
But when I call you never
seem to be _____

_____ from the outside
At least I can say that I've tried
To tell you I'm _____
For breaking your _____
But it don't matter it clearly
Doesn't tear you apart anymore
