

Unit 5 Where will you be this weekend?

Exercise 4: Read, then choose True or False

Hi! I'm Minh. My family will go to Da Nang next weekend. I think it will be an interesting trip. I think my parents will swim in the sea. My brother and I will play football. And my little sister will build a sandcastle on the beach. We will have lots of seafood. All of us love seafood! The next day, we will spend one day in Hoi An Ancient Town. We will ride bikes around the town to visit old houses and enjoy a quiet and peaceful life here. I can't wait to start my trip. I'm so excited.
