I AM A COMPUTER

On the 1st day of October 2008 I reached Kolkata commonly known as the ..... The distributor brought me and many of my friends to his store and then after few days he sent me and some of my friends to a big, brightly illuminated, wonderful ..... In the showroom I made many friends. All of us enjoyed a lot. We all were eagerly waiting for our new and permanent shelter.	
This is the story of my life - the story of a computer. Goodbye friends.	
I am a computer or in your words a ..... Today I'm going to share a story with all of you, the story of my life. I was born on the 15th day of September 2008 in a manufacturing unit of a very famous computer manufacturing company located in a ..... few kilometers away from Chennai. After spending few days in the manufacturing unit, I was transported to a different place far away from Chennai.	
On 20th October 2008, I was purchased. The fact that I am going to get a permanent shelter made me very happy. At the same time, I was sad as I had to leave my friends. I was worried too, thinking about my future. The customer brought me to his home in an air conditioned car with lot of care. Though I was ..... through the busy streets of Kolkata stuck with traffic, my journey was quite ..... Finally, I reached my new home which too was beautiful and definitely bigger than the showroom.	
Like all human beings perish, I know that even my life will come to an end very soon. Before I am .....and my life comes to an end, I would like to convey a message to all my friends - we computers want to help you to the best of our capacity and ..... We want to be your best friend. Please do not misuse us and make us your enemies.
