## REFLECT

Doodling is an international art of drawing absentmindedly, in other words, without thinking about it very much. We usually doodle when we are distracted or bored. Do you doodle? When?

## WHAT YOU SHOULD KNOW:

1. Read the text above

Some experts say that our doodles can reveal a lot about who we are, our personalities. Think about some doodles you have done. See if they accurately reflect your personality.

**Dots:** If you doodle dots, it shows that you are an organized person. If these dots are connected by lines, it shows that you are frustrated, maybe because you can't reach a goal you have.

**Flowers:** Doodling flowers reflect that you are the romantic type. The type of flower you draw also says something about you. Roses show you are loving, **whereas** daisies suggest you are keeping a secret.

**Stars:** If you doodle stars, it means that you are imaginative and very determined

**Hearts:** People who doodle hearts usually feel vulnerable. The more hearts you doodle, the more vulnerable you are.

**Wheels or spirals:** Doodling wheels or spirals that are moving forward show that you are content with your life. **On the contrary**, if they are moving backwards, it reflects that you are confused.

**Boats, ships, and planes:** These doodles suggest that you are trying to escape a situation.

**Your name, signature, or initials:** These doodles reflect that you are very self-confident and enjoy being the center of attention

**Animals:** Here, it depends on the animal you draw. If you draw a bird, you are looking for freedom. **However**, if you doodle a rhino or an elephant, it means you are self-conscious about your weight

**On the other hand**, if you draw a fish, you need to go away from where you are and confront an important issue.

**Squares, diamonds, or other geometric shapes:** Doodling these shapes means that you are stubborn and your beliefs are set in stone.

**Faces:** If you doodle a nice or pretty face, it suggests that you are very trusting. If, **by contrast**, you draw an ugly or messy face, it means the opposite.

1. Draw doodle according to each picture. There are 3 distracted extra words.

faces	animals	dots
starts	hearts	flowers
