

Gold robbers arrested!

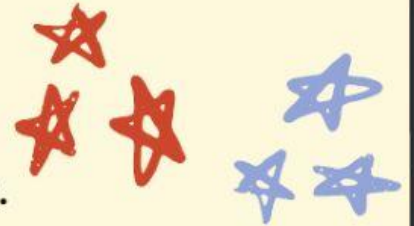

Sarah Jones, August 12t

Two days ago, a security truck carrying gold was robbed by two men on the road near Black Bear Lake outside Maple Falls. The robbers crashed their car into the security truck and pushed it off the road. One of the robbers, Elton Brichfield, twenty-seven, was badly hurt during the robbery and is in Maple Falls Hospital. The other robber, Clarence Gruber, thirty-two, was arrested yesterday at a gas station not far from the crime scene by Officer Baker.

Where is the missing gold?

The police have still not found the gold. They believe that the gold must still be in the area, because the gold bars weigh almost 170 kg. One man on foot could not have carried the gold very far. The robbers refuse to say where they hid the gold.
