

BOB

Well, I wanted an adven and I got it. But I'm not sure I liked it. I got so many new imp ns! I told my family about my visit to the town. Father got very angry with me but was very in ted at the same time, Mother cried and then lau . My brothers wanted to know all about the jams, the shops, the lifts, and the lights. I mis the museum, but I am not sorry about it. I am really happy here in the g den with my family! There are trees and grass, air and flowers. The sky is full of stars. In a or a city, you cannot see the stars of the lights.
