Let's go!

Review: Prepositions of movement

Lisen to a song "Let's go" and then fill in the blanks.

Let's go!

Let's go ____ the castle.
Let's go ____ the stairs.
Let's walk ____ the dining room.
Castles are cool to explore, if you dare!

Different people, different lives.
Everyone has a ____ life.

Let's go ____ the city.
People in the square.
Let's walk ____ a museum.
Cities are cool to explore, if you dare!

Chorus

Let's go ____ a farmyard.
Chicks running here and there.
Let's all walk ____ the fields.
Farms are cool to explore, if you dare!

Chorus
