Student's Book pp. 18-19

Reading

1 Read the piece of news and answer the questions.

a. Where did the burglary happen?

_____

b. When was the band discovered?

_____

c. How did the criminal band enter the building?

_____

d. Why did the criminal band escape?

_____

2 Read the piece of news again. Number each sentence in the order the events happened.

_ A robbery was reported early this morning at the Museum of National History. _ The security cameras showed that, when the guards were changing shifts, a criminal band broke into the museum through the emergency exit door. _ No one noticed them for at least 10 minutes. _ While they were stealing the last item, the alarm went off, so they ran away from the scene.

Editorial Creation

3 Read the descriptions of the stolen items a-d and match them to the correct picture 1-4.

a. An ugly, narrow, long item ☐

b. A small, bright, light item ☐

c. An unusual, old, short item ☐

d. A large, common, heavy item ☐

4 Create an ending for the piece of news. Write about the consequences of the robbery and whether the burglars were caught or not.
