

GRADE 9 – UNIT 4 – SPEAKING 2

II. Put the dialogue into the correct order.

- ___ I totally agree with you. We talked a lot, and it helped us understand each other more.
- ___ It must be tiring! How about your pastime?
- ___ Yes, it is. Besides, we also took care of our siblings while our parents worked.
- 1 Dad, can you tell me about your childhood?
- ___ We often played football on the soil ground with a plastic ball only. Hide and seek was another game that we never got bored of.
- ___ Of course, dear! What do you want to know?
- ___ That would be great! Sometimes I think chatting or texting using mobile devices can cause misunderstanding.
- ___ Well, at that time, we didn't have smartphone for distant communication. We would rather talk face to face with each other.
- ___ I wish I could experience your childhood once.
- ___ Sounds fun. Did you text your friends to talk about stuffs?
- ___ Hmm, I learnt that students had to help their parents with farming. Is it true?
- ___ It's impossible, my darling. Instead, you can create your own life with things that fulfill your wish and lifestyle!
