

# *I deserve it*

Madonna

This guy was meant for me and I was meant for him

This guy was \_\_\_ for me and I was \_\_\_ for him -----

This guy has \_\_\_ for me and I have \_\_\_ for him -----

This guy has cried for me and I have cried for him

Chorus:

Many miles, many roads I have traveled fallen down on the -----

Many hearts, many years have unraveled leading up to -----

This guy has prayed for me and I have prayed for him

This guy was \_\_\_for me and I was \_\_\_for him -----

Chorus: ( Many miles, many roads... )

I have no regrets

There's nothing to get / forget / hate

All the pain was worth it

Not running from the past

I tried to do what's next / last / best

I know that I deserve it

Chorus: (Many miles, many roads ... ) 2x

And I thank you
