3.

Why is he still popular?

1.

2.

3.

Read the next paragraph and make up 5 type questions to it: 2 general, 2-3 special, 2 tag, 2 alternative and 1 question to the subject.

The Metropolitan Police Heritage Museum shows the history of policing in London. Holmes was famous for his use of forensic or scientific techniques to solve crimes. His creator, Conan Doyle, visited police museums to gain inspiration for his stories. He was interested in real-life crimes, but actually making those crimes into a really good story.

Police methods and crime-solving techniques have changed since the time of Sherlock Holmes. New technology means the scientific or forensic method is even more important.
