??? Tag Questions ???

- Turns a statement into a question
- The purpose of the question is to ask if something you believe is true is really true
- Helper verb + subject pronoun
- If there is no helper verb use do/does/did
- Negative question tags are usually contracted (you are not = you aren't)
- If the main clause is positive, the tag is negative
- If the main clause is negative, the tag is positive
- The tag for "I am" is "aren't I"
