

Top of the World

Carpenters

Such a feelin's comin' over me
There is _____ in most everything I see
Not a _____ in the sky, got the sun in my eyes
And I won't be surprised if it's a _____

Everything I want the world to be
Is now comin' true especially for me
And the _____ is clear, it's because you are here
You're the _____ thing to heaven that I've seen

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've _____, ever since you've been _____
Your love's put me at the top of the world

Something in the _____ has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees, and the touch of the _____
There's a pleasing sense of happiness for me

There is only one _____ on my mind
When this day is through I hope that I will find
That _____ will be, just the same for you and me
All I need will be mine if you are here

I'm on the top of the world lookin' down on _____
And the only explanation I can find
Is the love that I've _____, ever since you've been _____
Your love's put me at the top of the world

I'm on the top of the world lookin' down on _____
And the only explanation I can find
Is the love that I've _____, ever since you've been _____
Your love's put me at the top of the world
