6 Match these languages with the cities on the map. Add the name of a country or countries to the list of languages below.

Russian *English* *Chinese* *French* *Hindi* *Portuguese* *Spanish* *Arabic*

Pull languages and place to the countries

	Language	Country
1	*Arabic*	*Egypt*
2	*Chinese*	
3	*English*	
4	*French*	
5	*Hindi*	
6	*Portuguese*	
7	*Russian*	
8	*Spanish*	

7 Make sentences about the languages and countries in **6**.

Example People speak Arabic in Egypt.
They speak English and French in Canada.

8 Work in pairs. Ask and answer these questions.

Which languages do you speak?
Which languages do people speak in your country?
Can you name five European languages?
Can you name five Asian languages?

9 1.5 Listen to the country and language words. Mark the stress on the correct part of the word.

Listen and write the ordinal number of the stressed syllables

Example Portugal Portuguese

Country	Language
1 Italy	Italian
2 Germany	German
3 Japan	Japanese
4 China	Chinese
5 Sweden	Swedish
6 Poland	Polish

Can you add any languages ending in ***-an***, ***-ese***, or ***-ish***?
