

## ***The Muscular System***

### **Comparing Muscles**

**Instruction:** Compare the three types of muscles by completing the table below. Use your notes to fill in the missing information.

	<b>Skeletal Muscle</b>	<b>Smooth Muscle</b>	<b>Cardiac Muscle</b>
<b>How does it look?</b> <b>(Make a sketch drawing of it)</b>			
<b>Does it have more than one nucleus?</b> <b>(Yes or No)</b>			
<b>Does it have striations? (Yes or No)</b>			
<b>Does it have intercalated discs?</b> <b>(Yes or No)</b>			
<b>Where can it be found?</b>			
<b>Is it voluntary or involuntary?</b>
