Read the dialogue below. Then, tick (✓) the correct answer.

Matt: Lim, what is your favourite animal?
Lim: I like giraffes.
Matt: Why do you like giraffes?
Lim: Because they're tall and interesting. They have long necks. Do you know what giraffes eat?
Matt: Yes. Giraffes are herbivores, right? So, they only eat plants.
Lim: You are correct. What about you, Matt? What's your favourite animal?
Matt: I like gorillas.
Lim: Interesting! Which is bigger, a gorilla or a monkey?
Matt: A gorilla is bigger than a monkey. That's why I love gorillas. They're big and strong.
