

Read the dialogue below. Then, tick ( ✓ ) the correct answer.

Matt: Lim, what is your favourite animal?

Lim: I like giraffes.

Matt: Why do you like giraffes?

Lim: Because they're tall and interesting. They have long necks.  
Do you know what giraffes eat?

Matt: Yes. Giraffes are herbivores, right? So, they only eat plants.

Lim: You are correct. What about you, Matt? What's your favourite animal?

Matt: I like gorillas.

Lim: Interesting! Which is bigger, a gorilla or a monkey?

Matt: A gorilla is bigger than a monkey. That's why I love gorillas.  
They're big and strong.
