You May Be Right

Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting any one
And we all enjoyed the weekend for a change

I've been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane

You ____ be right
I ____ be crazy
But it just ____ be a lunatic you're looking for
Turn out the light
Don't try to save me
You ____ be wrong for all I know
But you ____ be right

Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man
I said take me as I am
'Cause you ____ enjoy some madness for a while

Now think of all the years you tried to
Find someone to satisfy you

I ____ be as crazy as you say
If I'm crazy then it's true
That it's all because of you
And you wouldn't want me any other way

You ____ be right
I ____ be crazy
But it just ____ be a lunatic you're looking for
It's too late to fight
It's too late to change me
You ____ be wrong for all I know
But you ____ be right

You ____ be right
I ____ be crazy
But it just ____ be a lunatic you're looking for
Turn out the light
Don't try to save me
You ____ be wrong for all I know
You ____ be right
You ____ be wrong but you may be right
