hi ghanem thanks for your mail i'm delighted to hear that you are back in school after the Covid lockdown we are also back in school here in london as I am going into Year 9 next year i will soon have to think about what school subjects I should choose i would prefer geography instead of history, i would also like to do design technology and business. What about you what are your favorite subjects what will you choose in Year 9? talk to you soon
peter.
