Write object pronouns you listen to. Use CAPITAL LETTERS only.

LOVE IN THE DARK By Adele

Take your eyes off of _____ so I can leave
I'm far too ashamed to do _____ with you watching _____
This is never ending, we have been here before
But I can't stay this time 'cause I don't love _____ anymore
Please, stay where you are
Don't come any closer
Don't try to change my mind
I'm being cruel to be kind

CHORUS
I can't love _____ in the dark
It feels like we're oceans apart
There is so much space between _____
Maybe we're already defeated
Yeah, yeah, yeah, yeah, yeah, yeah
Everything changed _____

You have given _____ something that I can't live without
You mustn't underestimate that when you are in doubt
But I don't want to carry on like everything is fine
The longer we ignore _____ all, the more that we will fight
Please, don't fall apart
I can't face your breaking heart
I'm trying to be brave
Stop asking _____ to stay

CHORUS

We're not the only ones
I don't regret a thing
Every word I've said
You know I'll always mean
It is the world to _____
That you are in my life
But I want to live
And not just survive
