**“My last trip to Mexico”**

Mexico, a great place to visit. Especially when you know where you are going. Last summer, I \_\_\_\_\_ to Quintana Roo, the first place I \_\_\_\_\_ was Tulum. We \_\_\_\_\_ three hours from the airport to that place. We \_\_\_\_\_ an apartment through an Airbnb, the name of the location was Sanlam which was \_\_\_\_\_ in Tulum downtown. We \_\_\_\_\_ to go to the ruins that are near the beach, and then we \_\_\_\_\_ in the ocean for a while. There \_\_\_\_\_ people dancing and selling souvenirs; at the same time, I \_\_\_\_\_ a couple of shirts and a bracelet. Then, I \_\_\_\_\_ fried cricket with lemon and peanut. It \_\_\_\_\_ awful, and I could not swallow it all, so I \_\_\_\_\_ to throw it out. Also, we \_\_\_\_\_ to take a picture of the ‘Ven a la Luz’ which means coming into the light structure of a native woman opening her heart for you to enter. We \_\_\_\_\_ almost two hours on the line, so we could catch that amazing piece of art created by Daniel Popper. We \_\_\_\_\_ our last days of vacations eating tacos and drinking tequila. It \_\_\_\_\_ such an amazing trip, and we are looking forward to going back.
