

Name: _____

J08 EXTRA PRACTICE 16

1. CHOOSE THE CORRECT OPTION

In 1928, some miners in Nigeria ¹ *discovered* (discover) a small clay statue in the ground. It was from an ancient civilisation called 'The Nok' who ² *used to live* (live) in Central Nigeria. Archaeologists ³ _____ (not know) anything about The Nok but nowadays there is much more information about them.

The Nok ⁴ _____ (live) in the fourth century B.C.E. They were different from other civilisations in this period because they ⁵ _____ (not / work) with stone. Instead, they ⁶ _____ (produce) iron and other metals. As a result they ⁷ _____ (make) strong tools. They could dig the land and they ⁸ _____ (grow) their own food. This is one of the earliest examples of farming in history.
