

Lucky | Jason Mraz & Colbie Caillat

Let's Get Started...

American singer and songwriter Jason Mraz started his musical career playing at coffee shops in San Diego, California. He reached commercial success in 2005, with the release of *Mr. A-Z*, his second album. International success came in 2008, with the hit *I'm Yours*, which is the main track of his third studio album, *We Sing. We Dance. We Steal Things*.

Lucky, featuring singer Colbie Caillat, is also in Mraz's third album. He came to know Caillat through MySpace, a social networking website that was popular among musicians who wanted to break into the industry. Mraz said in an interview that *Lucky* "was written back and forth with Colbie Caillat over e-mail". The song won the 2010 Grammy Award for Best Pop Collaboration with Vocals.

Pre-Listening

1. Do you consider yourself to be a lucky person? Why (not)? Write about things you have or that happened to you which make you think you are (un) lucky.

2. Work in small groups. Share your ideas from Activity 1 with your classmates.

3. The words on the left column will help you understand the lyrics of *Lucky*. Try to match them to the definitions on the right.

- | | |
|------------|--|
| a. whisper | [] a gentle wind |
| b. hard | [] difficult |
| c. sail | [] travel across an area of water in a boat |
| d. breeze | [] turn around very quickly |
| e. spin | [] something you say in a very quiet voice |

4. Now use the words in Activity 3 to complete the sentences. Pay attention to verb and noun forms.

- It is always _____ to say goodbye to someone you love.
- A small boat _____ through shark-infested waters off the coast of South Africa yesterday.
- Alice could lie on her bed and watch the ceiling fan _____ above her head for hours.
- Jake's brown hair kept blowing in the cool afternoon _____ as he was riding his bike.
- The students who were cheating during the final exams kept talking in _____, so that the teacher couldn't hear them.

While Listening

5. Listen to the song *Lucky*. Complete the lyrics with the words in the second column – not all the words will be used.

Lucky
