## Put the number in the correct place

| circle | square | triangle |
|--------|--------|----------|
|        |        |          |
|        |        |          |
|        |        |          |
