AM I A GOOD CITIZEN?

We hear the word citizen all the time, but some people don't know what it really means. Let's get into it!

First, let's talk about what a citizen is. A citizen is a person who is part of a group, a school, a town, a city or a country. To be a citizen brings both privileges and obligations, you have rights and responsibilities too. So, we are all citizens because we belong to a group. Second, let's talk about what a good citizen is. We consider a person to be a good citizen when he or she follows the rules and is a good element in the group. A good citizen should always be respectful and should think about the well-being of the people in the group.

Finally, let's talk about teenagers as citizens. People shouldn't forget that teenagers' actions are important, and that we can make a society better or worse, too. We also have responsibilities and rights, and we are also part of a group, a school, and a country. Teenagers are also citizens and we should be good citizens too. Now that we know what it means to be a good citizen, let's become one. Our country needs only good citizens to be a great place to live!
