NHA TRANG

Hi, my name is Andy. I am from Australia. Last summer vacation, my family and I traveled to Viet Nam and we had a great chance to visit Nha Trang in Khanh Hoa province. All of us were very excited because we have never visited Nha Trang before. We left our hotel in Ho Chi Minh City at 6 o'clock in the morning. We took a taxi to the airport then we checked in. It took us about one hour to reach Nha Trang by plane. We arrived there at about 8 o'clock. We went to our hotel by taxi. Nha Trang had a very wonderful beach. We stayed in the hotel for a week and spent the whole week doing a lot of interesting things. We got up early in the morning, went swimming and then went to the restaurant for breakfast. We also visited many famous places in Nha Trang such as "Hon Chong", Tri Nguyen Aquarium, etc. and took many beautiful pictures. We visited Vinpearl Land, too. We played most of the interesting games and enjoyed a wonderful time there. We bought some souvenirs for our relatives and friends. That was a great trip and all of us felt very happy but a little bit tired.
