8) Imagine un chant.

Tu peux rester très près du chant de départ et ne modifier que quelques éléments ou prendre plus de libertés pour produire quelque chose de plus original!

Si tu as besoin d'un modèle, tu peux t'aider de ce texte à trous:

....., I went somewhere.

Where did you go? Where did you go?

I went to ..... and I.....something.

What did you .....? What did you.....?

I..... and .....

W..... did you .....? W..... did you .....?

I ..... and I did something.

What did you do? What did you do?
..... and something happened!

What happened? What happened?
Well,.....

Tu dois écrire ton chant (de 11 lignes) et l'envoyer sur pronote ou mon mail si problème sur pronote.

Si tu veux, tu peux même faire un montage vidéo ainsi (et l'envoyer sur mon mail)
