-------	------	------	--------	------	------

* Ascending order: ; ; ; ; ;

* Descending order: ; ; ; ; ;

IV. Read and answer the questions:

*True or False:

Hi, I'm Julie and my best friend is Hanna, we are always together. We are 13 years old and we are in the same class. Hanna lives in the same street as me and we like to walk together. When we have a break in school, we often play games and sometimes we have lunch. We always go home together and talk about our hobbies. When I am doing my homework and I don't understand a question, I often call Hanna for help and we do it together. When we finish our homework we always talk. We never go to sleep without talking.

At the weekends, we usually go to the shopping-mall, Hanna always wants to go shopping but I sometimes want to go to the cinema. We plan our day together and we never quarrel. On Saturdays, we watch films, we usually eat pizza and rarely eat popcorn.

1. Hannah and Julie are cousins.
2. They are 13 years old.
3. Hannah lives in the same street as Julie.
4. They go to different school.

*Choose always, usually, often, sometimes, rarely, never to fill in the gaps:

1. They are together.
2. They go to sleep without talking.
3. They eat popcorn on Saturdays.
4. They quarrel.
