

Bethany has won **numerous** awards in surfing. She grew up in Hawaii in a family who loved to surf. At the age of thirteen she became **a rising star**, after the national championships.However, on the 31 of October 2003 **the tragedy struck** while Bethany was surfing. The girl was attacked by a tiger shark. It took Bethany's left arm and the surfer nearly **lost her life**. Bethany said that it literally had **come out of the blue** - there hadn't even been **the slightest hint of danger**. When something pulled on her arm at first she didn't realised what had happened. After that, she saw that the water turned red, but she managed to stay calm and **to paddle** toward the beach, where the medical treatment had already been waiting for her. Less than a month after the incident, she was winning competitions again.
