## Reading

Use the following to answer questions 21-23:

**Read the text. Choose the best answer to complete the sentence about the text.**

Brad and Erica like to go shopping on the weekends. They don't like the mall, though. It is too crowded. They also don't like to shop at department stores because they are too big and the salespeople aren't friendly. They like to shop at flea markets. Flea markets are usually outside, so Brad and Erica get fresh air as they walk around and enjoy the nice weather. Also, prices are usually reasonable at flea markets.

Today, Erica wants to buy a beautiful bracelet from a man at the market, but she doesn't have enough money.

"Do you take credit cards?" she asks.

"No. We only take cash," the man answers.

Erica decides not to buy the bracelet because she doesn't have enough cash. Brad says that they can return the next weekend to buy the bracelet.

"Well, if the man doesn't sell it by then, of course," Erica says. They walk around for a few more minutes looking at clothes and used books. Brad buys two rare books for Erica so that she is not so sad about the bracelet. But she isn't, anyway. She thinks that looking at the interesting things sold in the flea market is sometimes more fun than buying them.
