

Thanksgiving Riddle Equivalent Ratio Review:

1. Match the ratio on the left side of the page to an equivalent ratio on the right side of the page.
2. When you have found a match, use the letter on the left and type that in the box on the right.
3. Mark the problems on the left with an X as you use them.
4. Reveal the answer to the riddle by reading down column 1 and then down column 2.

If it took two people 3 hours to cook a turkey, how many hours would it take 2 people to cook the same turkey?
