

C2.1 REVIEW

The Apollo: The Theatre of Dreams

Never have you seen such amazing spectacle as you will see in the Apollo. It's not only the facilities and personnel that make this venue so great, but the amazing acoustics of such a large venue.

From the you enter the place there is an awe about it. All of the greatest acts of recent have played here and you can feel the buzz as as you enter. The crowd are so close to the that they can literally feel the droplets of sweat coming off of the brows of favourite artists, this creates a unique connection the musicians and the audience and I can tell you, the fans wild!

I'd definitely this venue to anyone, it has a great feel to it and the are at the lower end of what you would expect to pay in such a They also don't go over the on drinks prices, and through it sounds weird, it's not all that difficult to get to the bathroom, is a plus. So, a doubt, the next time your favourite group is playing, come on down to the Apollo, oh, and I mention it is in London? It couldn't get better.
