OURS – TAYLOR SWIFT
WORKSHEET 2

INSTRUCTIONS:

Listen to the song and choose the correct ending for each sentence from the lyric.

Elevator buttons	wanna take the stairs
Strangers' silence makes me	at things that shine
If you were here	my time is theirs
But right now	little mind
Seems like there's always	and morning air
They'll judge it like	but my choice is you
And the verdict comes	they know about me and you
The jury's out,	love look hard
So don't you worry your pretty,	the water's rough
People throw rocks	we'd laugh about their vacant stares
And life makes	someone who disapproves
The stakes are high,	from those with nothing else to do
But this love	is ours
