Marian: Hello Jessica, what are you listening? Jessica: (0). _____. Marian: I think Beethoven's music is incredible. I have heard that listening to it can make you more intelligent, too. Do you believe that? Jessica: (1). _____. Marian: What other kind of music do you listen? Jessica: (2). _____. Marian: To be honest, I think classical music is too complicated for me. Jessica: (3). _____. Marian: I like pop music. Do you like it? Jessica: (4). _____. Marian: There is a musical performance at a concert in the city center. Would you like to join with my family? Jessica: (5). _____. Marian: No worries! We will pay it.	A. What kind of music do you prefer then? B. It's Beethoven. Do you like it? C. Not really. I do not think pop music has much depth. D. I do not know about that, but I think that it helps people relax. E. Actually, I mostly just listen to classical music. What about you? F. I look forward to seeing you tomorrow. We will come to pick you up at 5 p.m. G. That sounds great! We can enjoy the music show and relax together. How much does a ticket cost?
