## What did he/she do yesterday?

Yesterday, my sister got up at 7:30 a.m. She brushed her teeth. She had breakfast at 8:00 a.m. She listened to music. After that, she swam in the swimming pool and she had lunch at 1:00 p.m.

In the afternoon, she took online classes at 2:30 p.m. Then, she watched TV for an hour. After that, she did her homework.

In the evening, she had dinner and she read a book.

Finally, she prayed to Jesus and went to bed at 10:00 p.m.
