The image shows the TuxPaint toolbar with various tools. Lines connect the tools to empty boxes for labeling:

- Pintar** (Paintbrush icon) connects to a box on the left.
- Sellos** (Stamps icon) connects to a box on the right.
- Líneas** (Lines icon) connects to a box on the left.
- Figuras** (Geometric shapes icon) connects to a box on the right.
- Texto** (Text icon) connects to a box on the left.
- Mágicas** (Magic effects icon) connects to a box on the right.
- Deshacer** (Undo icon) and **Rehacer** (Redo icon) are shown but not connected.
- Goma** (Eraser icon) connects to a box on the left.
- Nuevo** (New icon) connects to a box on the right.
- Abrir** (Open icon) and **Guardar** (Save icon) are shown but not connected.
- Imprimir** (Print icon) and **Salir** (Exit icon) are shown but not connected.
