

Levitating

.....

DUA LIPA

If you wanna run away with _____, I know a galaxy
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the music _____ stop for life
Glitter in the sky, glitter in my eyes
Shining just the way I like

If you're feeling like you need a little bit of
company

You met me at the perfect time
You want me, I want _____, baby
My sugarboo, I'm levitating
The Milky Way, we're renegading
Yeah-yeah-yeah-yeah

I got you, moonlight, you're _____ starlight
I need you all night, come on, dance with _____

I'm levitating
You, moonlight, you're my starlight
I need you _____, come on, dance with me
I'm levitating

I believe that you're for me, I feel it in _____
energy

I see us written in the stars
We can go wherever, so let's do it now or _____
Baby, nothing's ever, ever too far
Glitter in the sky, glitter in our eyes
Shining just the way _____ are

I feel like we're forever every time we get together
But whatever, let's get lost on Mars

You can fly _____ with me tonight
You can fly away with me _____
Baby, let me take you for a ride
Yeah-yeah-yeah-yeah [x2]

My love is like a rocket, watch it blast off
And I'm feeling so electric, dance my ass off
And even if I wanted to, I can't stop
Yeah, yeah, yeah, yeah, yeah [x2]

You want me, I want you, baby
My sugarboo, I'm levitating
The Milky Way, we're renegading

I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating (woo)
