

love – move – trees – shine – hand – arms – power – prayer – stars – world –  
mine – divine – day – ceases – night – end – breath – pray

## You're My World by Anya Taylor-Joy

You're my world, you're every \_\_\_\_ I take  
You're my world, you're every \_\_\_\_ I make  
Other eyes see the \_\_\_\_ up in the skies  
But for me they \_\_\_\_ within your eyes

As the \_\_\_\_ reach for the sun above  
So my \_\_\_\_ reach out to you for love  
With your \_\_\_\_ resting in mine  
I feel a \_\_\_\_ so divine

You're my world, you are my \_\_\_\_, my day  
You're my world, you're every \_\_\_\_ I pray  
If our \_\_\_\_ ceases to be  
Then it's the end of the \_\_\_\_ for me

With your hand resting in \_\_\_\_  
I feel a power so \_\_\_\_

You're my world, you are my night, and \_\_\_\_  
You're my world, you're every prayer I \_\_\_\_  
If our love \_\_\_\_ to be  
Then it's the \_\_\_\_ of my world  
End of my world  
End of my world for me
