

Listening: Finding Solutions

Listen to the man and the boy having a conversation. Choose the correct alternative.

The father discourages his son from buying a game system because _____.

it is simply a waste of time

the boy needs to play with friends

it costs too much money

The boy can save _____ a month to buy the game system.

\$5.00

\$7.50

\$1.25

The boy needs to _____ to earn his allowance.

get good grades

get his chores done

be nice at school

The boy could make more allowance by _____.

delivering newspapers

selling lemonade

collecting empty cans

At the end of the conversation, we can infer that the boy _____.

no longer wants the game system

is going to get help from his dad

will need to earn money himself
